

angelhands Fundraising

Donate Your Unwanted Gifts

angelhands Inc is a not-for-profit organisation based in Western Australia that provides support and assistance for those who have been affected by homicide or serious personal violence. angelhands Inc aims to promote and encourage community awareness and responses conducive to a person's recovery from trauma and positive experiences of the criminal justice system.

Your fundraising team are collecting gifts from the angelhands family that people are not going to use.

Often people give gifts with the best of intentions but, for many reasons, the gift is not suitable. Rather than throw it away or put it in the top cupboard to gather dust you could bring it to angelhands to be used in our unwanted gifts fundraiser.

The fundraising team will book a site at a popular swap meet and sell the donated gifts.

You can donate unwanted gift items to us by:

- Dropping them at the Maylands office:
📍 **Level 1, Office 1, 28 Eight Avenue, Maylands, WA 6052**
- Posting them via the PO Box – for small items!
📦 **PO Box 1348, South Perth, WA 6951**
- Call the office and we can arrange to collect them if they are large or you are unable to get to us:
☎️ **(08) 9272 2242**

Leave the items in their packaging if possible.

Please pass this opportunity on to your friends and work colleagues and help angelhands to help your community.
